HISTORY - ANNA KURINNA

# ABOUT US

The Kharkiv State Academy of Design and Arts is one of the oldest art educational institutions in Ukraine. The location is in the heart of Kharkiv (Ukraine), on Mystetstv (means «of arts») street.

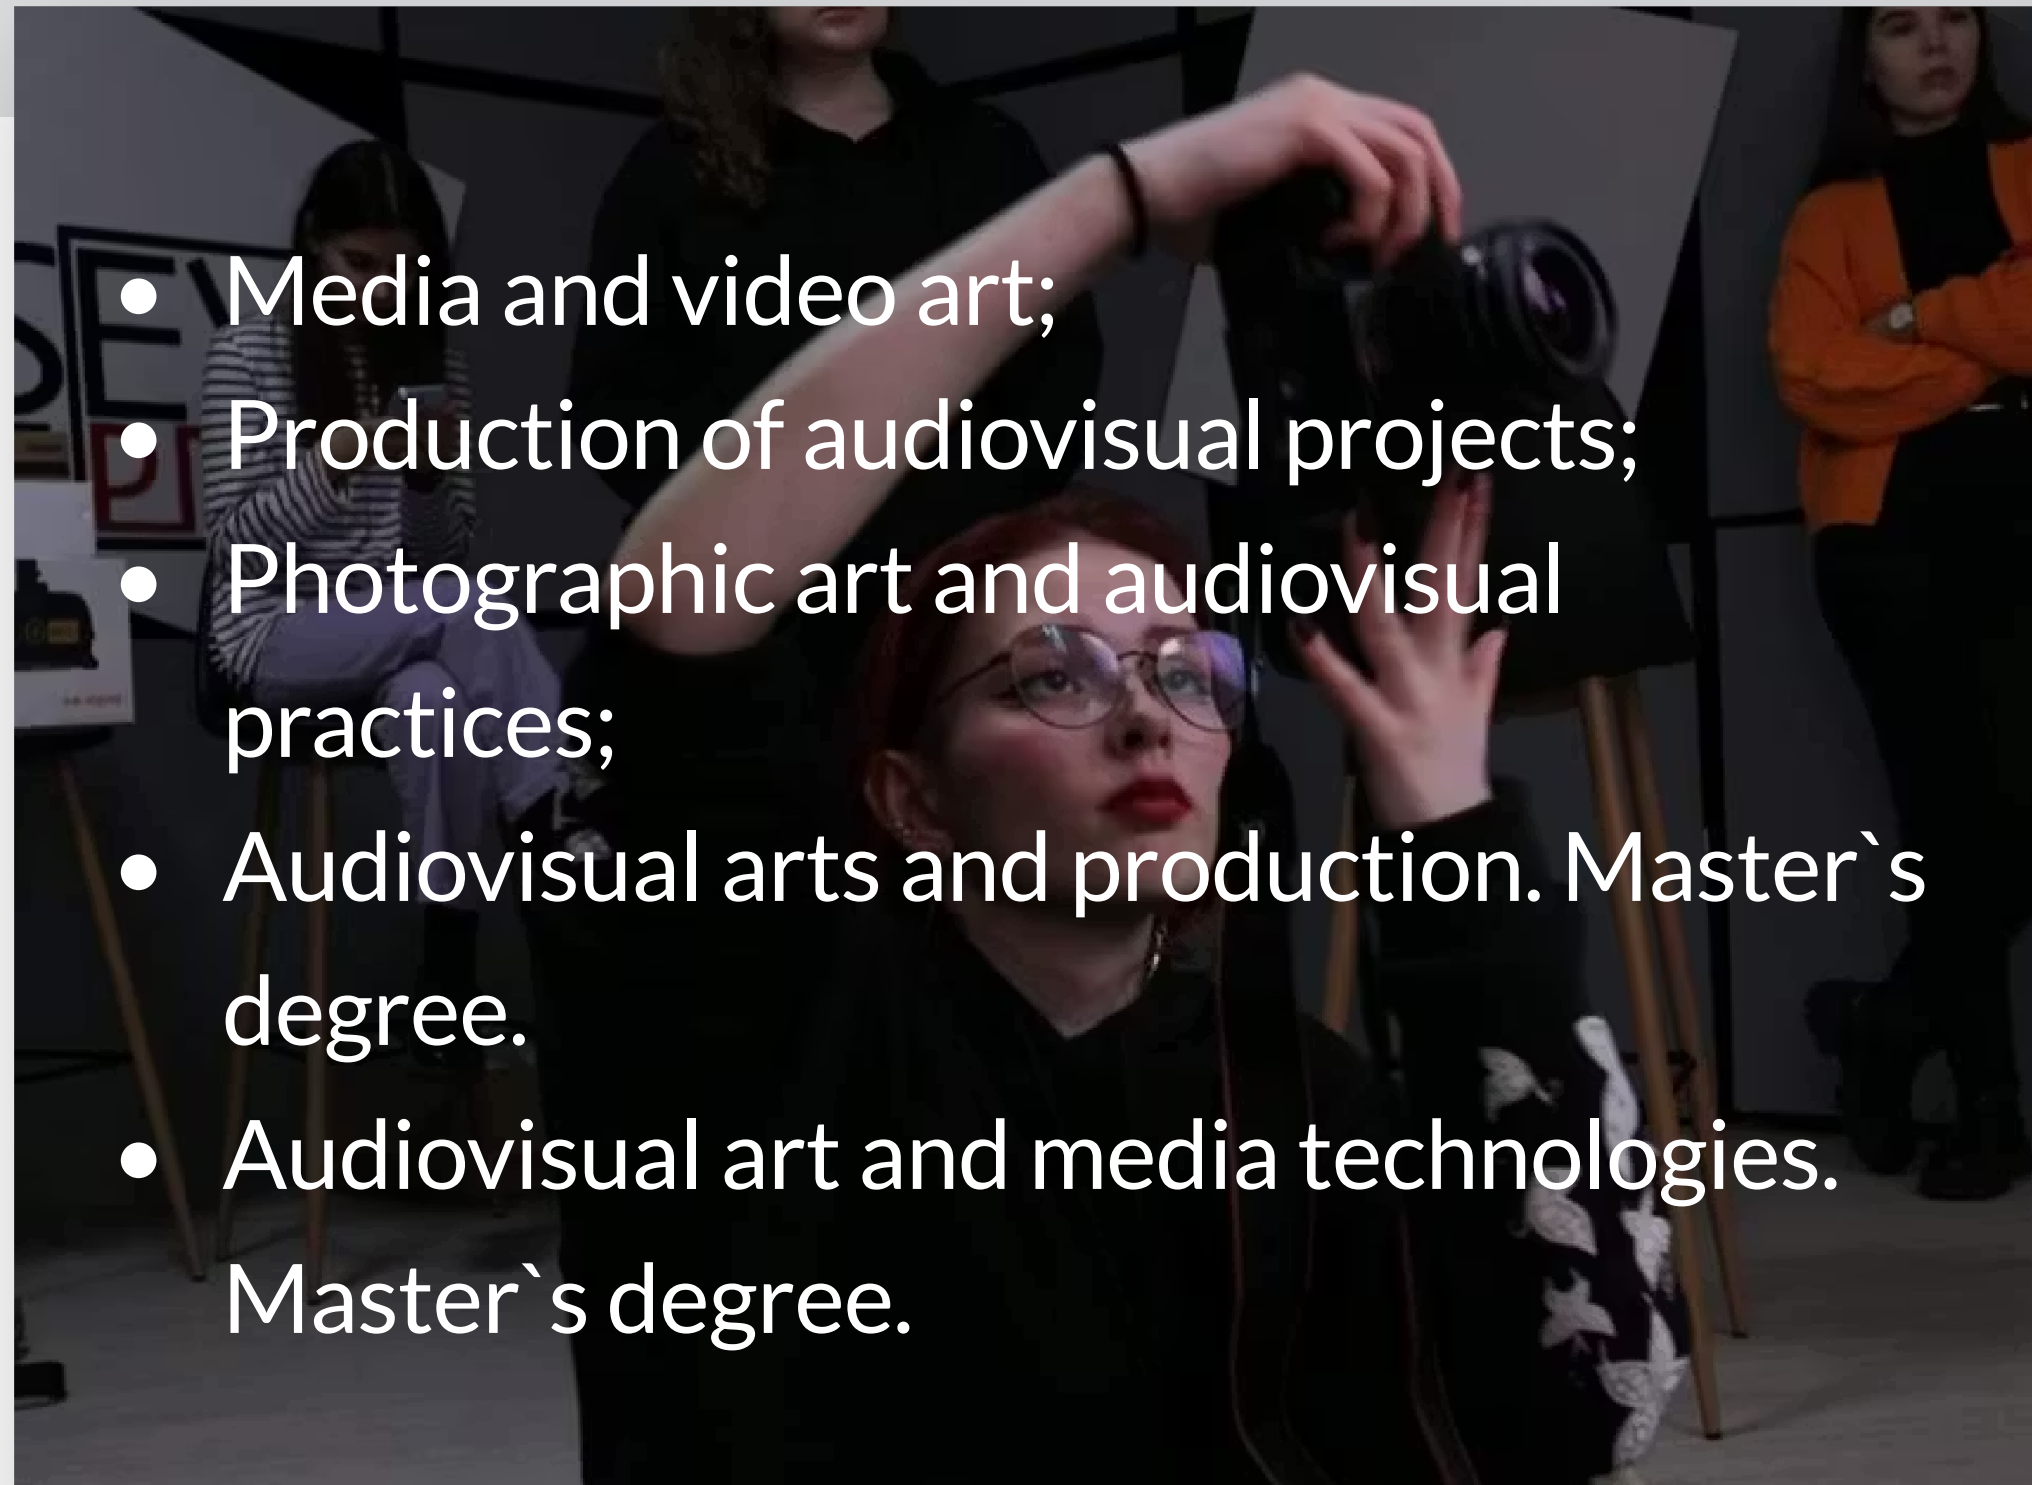

The Academy is the only higher educational institution in Ukraine that trains industrial product designers, specialists in the field of graphic design, interior design, decorative fabrics, clothing, trade and industrial advertising, corporate style and packaging specialists. Since 2019, the Academy has also begun training specialists in audiovisual arts.

# THE DEPARTMENT OF AUDIOVISUAL ARTS AND MEDIA TECHNOLOGIES OFFERS EDUCATIONAL PROGRAMS IN:

- Media and video art;
- Production of audiovisual projects;
- Photographic art and audiovisual practices;
- Audiovisual arts and production. Master`s degree.
- Audiovisual art and media technologies. Master`s degree.
